We are pleased to announce that our preclearance and expedited filing services have been expanded to include all business entity documents filed with the Secretary of State pursuant to the California Corporations Code, the California Financial Code or the California Insurance Code. These services, previously offered only for specified corporate documents, are now available for all corporate, limited liability company and limited partnership documents, including interspecies mergers and conversions, and for all other documents filed by other entity types. In addition, the number of copies required to be submitted for the preclearance service has been reduced from two to one.

Preclearance service provides a customer with the opportunity to submit a business entity document in person to the Secretary of State's Sacramento office prior to filing to determine if the document conforms to law and to receive a preclearance response within a guaranteed time frame.
